“this Act” includes any notice or regulation issued or made under this Act.

Object of Act

2. The object of this Act is to prevent and mitigate, on the basis of the principles set out in section 3, the significant effects of activities on the environment by -

- (a) ensuring that the significant effects of activities on the environment are considered in time and carefully;
- (b) ensuring that there are opportunities for timeous participation of interested and affected parties throughout the assessment process; and
- (c) ensuring that the findings of an assessment are taken into account before any decision is made in respect of activities.

PART II PRINCIPLES OF ENVIRONMENTAL MANAGEMENT

Principles of environmental management

- 3.** (1) The principles set out in subsection (2) -
- (a) guide the implementation of this Act and any other law relating to the protection of the environment;
 - (b) serve as the general framework within which environmental plans must be formulated; and
 - (c) serve as guidelines for any organ of state when making any decision in terms of this Act or any other law relating to the protection of the environment.

- (2) The following are the principles of environmental management:
- (a) renewable resources must be used on a sustainable basis for the benefit of present and future generations;
 - (b) community involvement in natural resources management and the sharing of benefits arising from the use of the resources, must be promoted and facilitated;
 - (c) the participation of all interested and affected parties must be promoted and decisions must take into account the interest, needs and values of interested and affected parties;
 - (d) equitable access to environmental resources must be promoted and the functional integrity of ecological systems must be taken into account to ensure the sustainability of the systems and to prevent harmful effects;
 - (e) assessments must be undertaken for activities which may have a significant effects on the environment or the use of natural resources;
 - (f) sustainable development must be promoted in all aspects relating to the environment;
 - (g) Namibia's cultural and natural heritage including, its biological diversity, must be protected and respected for the benefit of present and future generations;
 - (h) the option that provides the most benefit or causes the least damage to the environment as a whole, at a cost acceptable to society, in the long term as well as in the short term must be adopted to reduce the generation of waste and polluting substances at source;
 - (i) the reduction, re-use and recycling of waste must be promoted;
 - (j) a person who causes damage to the environment must pay the costs associated with rehabilitation of damage to the environment and to human health caused by pollution, including costs for measures as are reasonably required to be implemented to prevent further environmental damage;
 - (k) where there is sufficient evidence which establishes that there are threats of serious or irreversible damage to the environment, lack of full scientific certainty may not be used as a reason for postponing cost-effective measures to prevent environmental degradation; and
 - (l) damage to the environment must be prevented and activities which cause such damage must be reduced, limited or controlled.

PART III
GENERAL FUNCTIONS AND POWERS OF MINISTER

Functions of Minister

4. The Minister's functions are to -
- (a) determine policies for the management, protection and use of the environment;
 - (b) prepare and publish policies, strategies, objectives and standards for the management and protection of the environment;
 - (c) co-ordinate environmental management at national level; and
 - (d) monitor and ensure compliance with this Act.

Powers of Minister in respect of waste

5. (1) In this section -
- (a) "disposal site" means a site used for the accumulation of waste with the purpose of disposing or treatment of such waste; and
 - (b) "waste" means any matter, whether gaseous, liquid or solid or any combination thereof, which is from time to time listed by the Minister by notice in the *Gazette* or by regulation as an undesirable or superfluous by-product, emission, residue or remainder of any process or activity.
- (2) The Minister, after following the consultative process referred to in section 44 may, by notice in the *Gazette* or by regulation, declare a site to be a waste disposal site.
- (3) Where a waste disposal site already exists in terms of any law, the Minister may approve that site as a waste disposal site for the purpose of this section.
- (4) A person may not discard or cause to be discarded waste or dispose of it in any other manner, except -
- (a) at a disposal site declared or approved by the Minister in terms of this section; or
 - (b) in a manner or by means of a facility or method and subject to such conditions as the Minister may prescribe.
- (5) Any person who contravenes subsection (4) commits an offence and is on conviction liable to a fine not exceeding N\$500 000 or to imprisonment for a period not exceeding 25 years or to both such fine and such imprisonment.

PART IV
SUSTAINABLE DEVELOPMENT ADVISORY COUNCIL

Establishment of Advisory Council

6. There is established an advisory council to be known as the Sustainable Development Advisory Council.

Functions of Advisory Council

7. The functions of the Advisory Council are to -
- (a) promote co-operation and co-ordination between organs of state, non-governmental organisations, community based organisations, the private sector and funding agencies, on environmental issues relating to sustainable development;
 - (b) advise the Minister -
 - (i) on the development of a policy and strategy for the management, protection and use of the environment;
 - (ii) on the conservation of biological diversity, access to genetic resources in Namibia and the use of components of the environment in a way and at a rate that does not lead to the long-term decline of the environment, thereby maintaining its potential to meet the needs and aspirations of present and future generations;
 - (iii) on appropriate methods of monitoring compliance with the principles set out in section 3;
 - (iv) on the need for, and initiation or amendment of legislation, on matters relating to the environment; and
 - (c) perform other functions assigned to it by the Minister.

Composition of Advisory Council

8. (1) The Advisory Council consists of the following members appointed by the Minister:

- (a) four persons who represent the interests of the State; and
- (b) four persons whom the Minister reasonably believes represent the interests of organisations, associations or institutions concerned with environmental matters.

(2) The Environmental Commissioner is an *ex officio* member of the Advisory Council, but may not vote at its meetings.

(3) Persons appointed as members of the Advisory Council must have the necessary knowledge of, or experience in, matters relating to the functions of the Advisory Council.

(4) When any nomination in terms of subsection (1)(a) becomes necessary, the Minister must invite the State to nominate persons within a period of 30 days from the date of the invitation.

(5) When any nomination in terms of subsection (1)(b) becomes necessary, the Minister must invite the public, organisations, associations or institutions by notice in the *Gazette* and in any other appropriate manner, to nominate persons within a period of 30 days from the date of the notice.

(6) If, after the Minister has invited nominations in terms of subsections (4) or (5), the Minister receives no or insufficient nominations within the period specified in the notice, the Minister may appoint the required number of persons who qualify for appointment in terms of this section.

(7) The Minister must designate one of the members of the Advisory Council as chairperson.

(8) The Minister must, as soon as possible after appointing the members of the Advisory Council, make known in the *Gazette* -

- (a) the name of every person appointed as a member;
- (b) the period for which the appointment is made; and
- (c) the date from which the appointment takes effect.

(9) The Advisory Council may with the approval of the Minister co-opt any person to assist it in its functions, but the person co-opted may not vote at meetings of the Advisory Council.

(10) The Advisory Council may establish one or more committees consisting of members only or consisting of members and non-members to perform, subject to the Advisory Council's directions, functions the Advisory Council may assign to such committee.

Term of office of members of Advisory Council

9. Subject to section 10, a member of the Advisory Council holds office for a term of three years and may be reappointed at the end of that term.

Vacation of office and filling of vacancies

10. (1) The office of a member of the Advisory Council becomes vacant if the member -

- (a) is absent from three consecutive meetings of the Advisory Council without the permission of the Advisory Council;
- (b) through a written notice addressed to the Minister, resigns from office;
- (c) ceases to represent the State, organisation, association or institution for which the member has been appointed; or

-
- (d) is for any other reasonable cause removed from office by the Minister.
- (2) Before removing a member from office in terms of subsection (1)(d), the Minister must -
- (a) in writing notify the member concerned of the grounds on which the member is to be removed from office;
- (b) give the member an opportunity to make oral or written representations on the matter to the Minister or to any person designated by the Minister; and
- (c) consider any representations made in terms of paragraph (b).
- (3) If a member of the Advisory Council dies or vacates office before the expiry of his or her term of office the Minister must, in accordance with section 8, appoint a person to fill the vacancy for the unexpired portion of the term for which that member was appointed.

Meetings of Advisory Council

11. (1) The Advisory Council must meet at least two times a year.
- (2) The first meeting of the Advisory Council must be held at a place, date and time determined by the Minister and thereafter any meeting of the Advisory Council must be held at a place, date and time determined by the chairperson of the Advisory Council.
- (3) The chairperson may at any time call a special meeting of the Advisory Council, at the request of the Minister or of a majority of the members.
- (4) At the first meeting of the Advisory Council the members must elect from among their number a deputy chairperson.
- (5) The chairperson of the Advisory Council, or in the absence of the chairperson, the deputy chairperson, presides at meetings of the Advisory Council, or if both the chairperson and deputy chairperson are absent from the meeting, or are unable to preside at the meeting, the members must elect a member to preside at the meeting.
- (6) At any meeting of the Advisory Council -
- (a) a majority of the members of the Advisory Council forms a quorum;
- (b) a decision of a majority of members of Advisory Council present at a meeting is the decision of the Advisory Council; and
- (c) if, there is an equality of votes, the person presiding at the meeting has a casting vote in addition to that person's ordinary vote.
- (7) The Advisory Council determines the procedures to be followed at its meetings.
- (8) As soon as possible after a meeting of the Advisory Council has taken place, the chairperson must cause a copy of the minutes to be submitted to the Minister.

Administration of Advisory Council

12. (1) The Permanent Secretary must -
 - (a) make staff members in the Ministry available to perform the clerical work for the Advisory Council in the performance of its functions; and
 - (b) designate a staff member of the Ministry as secretary of the Advisory Council.

(2) The expenditure resulting from the performance of the duties and functions of the Advisory Council in terms of subsection (1) must be paid from the State Revenue Fund from moneys appropriated for that purpose by Parliament.

Allowances of members of Advisory Council and committees

13. Members of the Advisory Council and of a committee of the Advisory Council who are not in the full time employment of the State are entitled to such allowances as the Minister, with the concurrence of the Minister responsible for finance, may determine.

Disclosure of interest

14. (1) If a member of the Advisory Council or of a committee of the Advisory Council has a direct or indirect financial or other interest in a matter being dealt with or about to be dealt with by the Advisory Council or a committee of the Advisory Council, the member must as soon as is possible after the relevant facts come to the member's knowledge, disclose the nature of the interest to the chairperson of the Advisory Council.

(2) Any disclosure made under this section must be noted in the minutes of the relevant meeting of the Advisory Council.

(3) A member of the Advisory Council or of a committee of the Advisory Council who contravenes subsection (1) commits an offence and is on conviction liable to a fine not exceeding N\$10 000 or to imprisonment for a period not exceeding two years or to both such fine and such imprisonment.

Annual report

15. (1) As soon as possible after the end of each financial year as defined in the State Finance Act, 1991 (Act No. 31 of 1991), the Advisory Council must prepare an annual report in accordance with subsection (2).

(2) The annual report must include -

- (a) a report on the activities of the Advisory Council; and
- (b) any other matter the Minister may consider necessary to be included in the report.

(3) As soon as possible after the annual report has been prepared, the chairperson of the Advisory Council must cause a copy of the report to be submitted to the Minister.

(4) The Minister must lay a copy of the Advisory Council's annual report before

the National Assembly within 30 days of receipt thereof, if the National Assembly is then in ordinary session, or if the National Assembly is not then in ordinary session, within 30 days after the commencement of the next ordinary session.

PART V
ENVIRONMENTAL COMMISSIONER AND ENVIRONMENTAL OFFICERS

Appointment of Environmental Commissioner

16. (1) The Minister must, subject to the laws governing the public service, appoint a person who is suitably qualified and experienced in environmental matters -

- (a) to be the Environmental Commissioner; and
- (b) to be the Deputy Environmental Commissioner, who must perform the duties and functions of the Environmental Commissioner when there is no Environmental Commissioner or when the Environmental Commissioner is absent or is for any other reason unable to perform his or her functions.

(2) The Environmental Commissioner may perform any duty or function or exercise any power of an environmental officer.

(3) The Permanent Secretary must make staff members of the Ministry available to assist the Environmental Commissioner in the performance of any duty or function or the exercise of any power in terms of this Act.

Functions of Environmental Commissioner

17. (1) The Environmental Commissioner must perform the functions set out in subsection (2), subject to the general or specific policy directives of the Minister.

- (2) The functions of the Environmental Commissioner are to -
 - (a) advice organs of state on the preparation of environmental plans;
 - (b) receive and record applications for environmental clearance certificates;
 - (c) determine whether a listed activity requires an assessment;
 - (d) determine the scope, procedure and methods of an assessment;
 - (e) review the assessment report in accordance with this Act;
 - (f) issue environmental clearance certificates in terms of this Act;
 - (g) maintain a register of environmental assessments undertaken in terms of this Act;
 - (h) maintain a register of environmental clearance certificates issued and environmental plans approved in terms of this Act;
 - (i) conduct inspections for monitoring compliance with this Act; and

Appointment of environmental officers

18. (1) Subject to the laws governing the public service, the Minister may appoint environmental officers, as he or she may consider necessary for carrying out the provisions of this Act.

(2) If the Minister considers it necessary, and subject to such conditions as the Minister may from time to time and in consultation with the Minister responsible for finance determine, the Minister may appoint any person who is not in the full-time employment of the State as an environmental officer in any particular case or may so appoint such person to assist an environmental officer appointed in terms of subsection (1).

(3) Before appointing persons employed in any other organ of state, as environmental officers, the Minister must obtain the consent of the relevant employer.

(4) The Minister may withdraw the appointment of an environmental officer.

(5) Each environmental officer appointed in terms of subsection (1) or (2) must be furnished with a certificate of appointment in the form determined by the Permanent Secretary and stating that he or she has been appointed as an environmental officer, but if his or her appointment as environmental officer is limited to any particular function or functions his or her certificate must state such limitation.

(6) When performing any function or duty or exercising any power in terms of this Act, an environmental officer must on demand by any person in relation to whom the function, duty or power is performed or exercised, produce the certificate of appointment.

Entry and inspection

19. (1) In this section "member of the police" means a member of the Namibian Police Force as defined in section 1 of the Police Act, 1990 (Act No. 19 of 1990).

(2) To the extent that this section authorises the interference with the privacy of persons homes, correspondence or communications as contemplated in Article 13(1) of the Namibian Constitution, this section is enacted on the authority of Sub-Article (2) of that Article.

(3) An environmental officer may, on the authority of a warrant issued in terms of subsection (5) -

- (a) in order to obtain evidence, enter premises where he or she has reason to believe that any provision of this Act has been or is being contravened;
- (b) direct the person in control of or employed at the premises -
 - (i) to deliver any book, record or other document that relates to the investigation and which is in the possession or under the control of that person;
 - (ii) to furnish such information as he or she has with regard to that matter; and

-
- (iii) to render such assistance as the environmental officer requires in order to enable him or her to perform his or her duties or functions under this Act;
- (c) inspect any book, record or other document and make copies of it or excerpts from it;
- (d) seize any, material, substance, book, record or other document which is or may be relevant to a prosecution under this Act and keep it in his or her custody, but the person from whose possession or control any book, record or document has been taken, may, at his or her own expense and under supervision of the environmental officer concerned, make copies of it or excerpts from it;
- (e) take samples of any material or substance seized in terms of paragraph (d), for analysis.
- (4) An environmental officer conducting a search under subsection (3) and (10) may -
- (a) request a member of the police to assist in the exercise of the powers referred to in this section; and
- (b) request any person to assist as an interpreter or otherwise in the exercise of the powers referred to in this section.
- (5) A warrant referred to in subsection (3) must be issued by a judge of the High Court or by a magistrate who has jurisdiction in the area where the premises in question are situated, and may only be issued if it appears from information on oath that there are reasonable grounds for believing that any material, substance or other things contemplated in subsection (3) is on or in such premises, and must specify which of the acts mentioned in that subsection may be performed in terms of the warrant by the person to whom it is issued.
- (6) Any environmental officer executing a warrant in terms of this section must immediately before commencing the execution -
- (a) identify himself or herself to the person in control of the premises, if such person is present, and hand to such person a copy of the warrant or, if such person is not present, affix such copy in a prominent place on the premises; and
- (b) supply such person at the request of such person, with particulars regarding his or her authority to execute such a warrant.
- (7) A person may not enter or search any premises unless he has audibly demanded admission to the premises and has notified the purpose of his or her entry, unless such person is, on reasonable grounds, of the opinion that any material, substance or other things contemplated in subsection (3) may be destroyed if such admission is first demanded and such purpose is first notified.
- (8) Any entry and search in terms of this section must be executed by day, unless the execution of it by night is justifiable and necessary.

(9) A warrant contemplated in this section may be issued on any day and is effective until -

- (a) it is executed;
- (b) it is cancelled by the person who issued it or, if such person is not available, by any person with similar authority;
- (c) one month from the date of its issue; or
- (d) the purpose for which the warrant was issued, no longer exists, whichever occurs first.

(10) An environmental officer may without a warrant enter on any premises and search for, seize and remove anything referred to in subsection (3), if -

- (a) the person who is competent to do so consents to such entry, search, seizure and removal; or
- (b) there are reasonable grounds to believe that -
 - (i) a warrant would be issued to the environmental officer if he applied for such warrant; and
 - (ii) the delay in obtaining such warrant would defeat the purpose of the search.

(11) A material or substance seized in terms of this section must be dealt with as contemplated in Chapter 2 of the Criminal Procedure Act.

Compliance orders

20. (1) For the purpose of this section “exceptional circumstances” includes circumstances in which the delay necessary to issue a written order that meets the requirements of subsection (2) would result in danger to human life or the environment.

(2) An environmental officer may issue a compliance order to a person whom the environmental officer has reason to believe -

- (a) has contravened this Act; or
 - (b) has contravened a condition of an environmental clearance certificate.
- (3) A compliance order must set out -
- (a) the name of the person to whom the order applies;
 - (b) the provision or condition which has been contravened;
 - (c) details of the nature and extent of the contravention;
 - (d) any steps that are required to be taken and the period within which those steps must be taken; and

-
- (e) any penalty that may be imposed in terms of this Act if those steps are not taken;
 - (f) the procedure to be followed in lodging an objection to the compliance order with the Minister; and
 - (g) any other prescribed matter.

(4) In exceptional circumstances a compliance order may be given orally, but within a period of seven days after such order is given, a written order must be issued in accordance with subsection (3).

(5) A person who receives a compliance order must comply with that order within the time period stated in the order unless the Minister has agreed to suspend the operation of the compliance order under section 21.

(6) Where a person fails to take any measures specified in the compliance order without raising an objection an environmental officer may take the measures or cause them to be taken.

(7) Any costs incurred by the environmental officer in connection with any action taken under subsection (6) may be recovered from the person referred to in that subsection as a debt owing to the State.

(8) Any person who, without good reason, fails or refuses to comply with a compliance order commits an offence and is liable on conviction to a fine not exceeding N\$500 000 or to imprisonment for a period not exceeding 25 years or to both such fine and such imprisonment.

Objections to compliance order

21. (1) Any person issued with an order in terms of section 20, may apply to the Minister in the prescribed form and manner for the review of the order within -

- (a) 14 days after receiving that order; or
- (b) such longer period as may be allowed by the Minister on good cause shown.

(2) After considering the application made in terms of subsection (1), and any other relevant information, the Minister may confirm, modify or cancel all or part of the order.

(3) If the Minister confirms or modifies all or part of a compliance order, the applicant must comply with that order as confirmed or modified, within the time period specified in it.

(4) The Environmental Commissioner must in the prescribed form and manner notify the person referred to in subsection (1), of the decision made in terms of subsection (2) and the reasons for the decision.

Offences in relation to environmental officers

22. (1) A person commits an offence if the person -

- (a) hinders or obstructs an environmental officer in the performance of the environmental officer's duties and functions or the exercise of the environmental officer's powers;
- (b) without lawful excuse, refuses or fails to answer any question put by an environmental officer;
- (c) intentionally furnishes false and misleading information to an environmental officer; or
- (d) falsely claims to be an environmental officer.

(2) A person convicted of an offence contemplated in subsection (1) is liable to a fine not exceeding N\$20 000 or to imprisonment for a period not exceeding two years or to both such fine and such imprisonment.

PART VI ENVIRONMENTAL PLANS

Objects of environmental plans

23. The objects of environmental plans are to -
- (a) co-ordinate and harmonise the environmental policies, plans, programmes and decisions of the various organs of state that exercise functions that may affect the environment or are entrusted with powers and duties aimed at the achievement, promotion, and protection of a sustainable environment, in order to -
 - (i) minimise the duplication of procedures and functions; and
 - (ii) promote consistency in the exercise of functions that may affect the environment; and
 - (b) enable the Minister to monitor the achievement, promotion and protection of a sustainable environment.

Environmental plans

24. (1) For the purpose of this Part, the Minister may identify and list by notice in the *Gazette* or by regulation organs of state which are exercising functions that may affect the environment.

(2) Every organ of state identified and listed in terms of subsection (1), must prepare an environmental plan in the prescribed form and manner.

(3) Every organ of state contemplated in subsection (1), must in the preparation of an environmental plan take into consideration every other environmental plan already adopted with a view to achieving consistency among such plans.

(4) The Environmental Commissioner may, at the request of an organ of state assist with the preparation of an environmental plan.

(5) The Minister may issue guidelines to assist organs of state in the preparation of environmental plans.

Approval of environmental plans

25. (1) Every organ of state required to submit an environmental plan must submit the plan to the Environmental Commissioner within the prescribed period.

(2) The Environmental Commissioner must scrutinise every environmental plan and -

- (a) recommend the approval of the plan to the Minister;
- (b) report to the Minister as well as to every other identified organ of state on the extent to which the environmental plan concerned fails to comply with-
 - (i) the principles set out in section 3;
 - (ii) the objects of environmental plans specified in section 23; or
 - (iii) any relevant environmental plan,

and set out the changes needed in the environmental plan concerned.

- (l) any other area which the Minister considers necessary for the purpose of listing.

(3) Despite any other law to the contrary, a person may not undertake a listed activity, unless the person is a holder of an environmental clearance certificate in relation to that activity.

(4) Any person who contravenes subsection (3) commits an offence and is on conviction liable to a fine not exceeding N\$500 000 or to imprisonment for a period not exceeding 25 years or to both such fine and such imprisonment.

Exemption

28. The Minister may in a notice under section 27 make provision for the granting of an exemption in respect of an activity.

Provisions relating to listing of activities

29. (1) The Minister may amend the list referred to in section 27(1), by -

- (a) adding an activity to the list;
- (b) removing an activity from the list; or
- (c) making other changes to the particulars on the list;

(2) The Minister must comply with section 27(1) before amending the list referred to in that section.

(3) Any person may make representations to the Minister on the desirability of having an activity listed in terms of section 27(1) or delisted in terms of this section.

(4) The Minister is not bound by a representation made under subsection (3).

Procedure for identifying competent authorities

30. (1) Where no person or authority is, in terms of any other law, charged with the responsibility of granting authorisation in respect of a listed activity the Minister must in the notice under section 27(1) identify a person or authority who is responsible for granting authorisation in respect of that activity.

(2) The Minister or any other organ of state may under subsection (1) be identified as the competent authority.

(3) The Minister may agree with an organ of state that applications for environmental clearance certificates in respect of which the Minister is identified as the competent authority be dealt with by that organ of state.

Effect of authorisations under other laws

31. (1) Despite any other law to the contrary, a competent authority may not issue an authorisation unless the proponent has obtained an environmental clearance certificate in terms of this Act.

(2) An authorisation issued contrary to subsection (1) is invalid.

PART VIII
ENVIRONMENTAL ASSESSMENT PROCESS

Application for environmental clearance certificate

32. (1) A person who is required to obtain an environmental clearance certificate must, in the prescribed form and manner and on payment of the prescribed fee, apply to the relevant competent authority for an environmental clearance certificate in respect of the listed activity to be undertaken.

(2) The competent authority must in the prescribed manner forward the application referred to in subsection (1) to the Environmental Commissioner, if the proponent complies, in respect of the proposed activity, with any requirements prescribed by law in respect of that activity.

Registration of application and determining whether assessment is required

33. (1) When an application is made for an environmental clearance certificate, the Environmental Commissioner must -

- (a) register the application in the prescribed assessment register, and
- (b) within the prescribed time, decide whether the proposed activity requires an assessment.

(2) In making a decision in terms of subsection (1)(b), the Environmental Commissioner must -

- (a) follow the consultative process referred to in section 44; and
- (b) take into account -
 - (i) any comment received in terms of the consultative process;
 - (ii) the significant effect of the proposed activity on the environment;
 - (iii) the nature and extend of the proposed activity;
 - (iv) the principles set out in section 3; and
 - (v) any other matter that may be prescribed.

(3) A decision under subsection (1) does not exempt the proponent from complying with other requirements prescribed in respect of the proposed activity under any other law.

Procedure where assessment is not required

34. (1) Where the Environmental Commissioner has under section 33, decided that the proposed activity does not require an assessment the Environmental Commissioner may -

- (a) grant the application and, on payment of the prescribed fee, issue an environmental clearance certificate to the proponent; or
